
SUZIE KOLBER

Suzie Kolber is a writer at Obituarieshelp.org. The site is a complete guide for someone seeking help for writing words of condolences, sympathy, messages, condolence letters and funeral planning resources.

She created Obituarieshelp.org to be the complete online resource for "do it yourself" genealogy projects. The site offers the largest offering online. The site is a not for profit website dedicated to offering free resources for those that are trying to trace their family history.
